ST. BRIGID'S DAY - LÁ FHÉILE BRÍDE - FEBRUARY 1ST

**Brigid, You were a woman of peace.
You brought harmony where there was conflict.
You brought light to the darkness. You brought hope to the downcast.
May the mantle of your peace cover those who are troubled and anxious,
and may peace be firmly rooted in our hearts and in our world.
Inspire us to act justly and to reverence all God has made.
Brigid you were a voice for the wounded and the weary.
Strengthen what is weak within us. Calm us into a quietness that heals and listens.
May we grow each day into greater wholeness in mind, body and spirit.
Amen.**

A PRAYER FOR ELECTRICIANS / LINEMEN

*We come to you with grateful hearts
for those who are dedicated to serving their fellow man.
To those who show their love for you by risking their lives
to do whatever they can.
A lineman is taken for granted until a convenience we must do without.
They work until the job is done, of this there's never a doubt.
Please, Dear Lord, watch over them
and protect them with Your Almighty Hand.
Return them to their homes with blessing for their families and help them to understand
that a lineman's time is not his own and a schedule not one he chose for the day,
but a service that you have instilled in him as you guide him in your kind & loving way.
Amen*

**Compliments to repair teams working for ESB, those doing debris removal,
fire brigade and those checking in on and helping neighbours.**
