**World Day of the Sick - 11th February 2025**

**PRAYER FOR THE SICK**

Lord Jesus, when you were on earth, they brought the sick to you and you healed them all. Today we ask you to bless all those in sickness, in weakness and in pain. Almighty God, as we ask your help for our brothers and sisters who are ill, we ask you to help us to be healing people in our time and place. May your love touch others through us and may we help all people to live in peace. We ask this through Christ our Lord.  
Amen.

**PRAYER FOR THOSE WHO WORK  
WITH THE SICK**

Send your blessing, Lord God, upon doctors, nurses and all those who work with the sick. Enable them to make progress against disease and illness, to ease the sufferings of the afflicted, and to encourage healthy living. May the gifts you have given them be used to restore the ill to health so that they may again work for your greater glory.  
We ask this through Christ our Lord. Amen

**Prayer to St. Valentine**

Heavenly Father, I want to thank You for the gift of love You have given to the world and to me. Thank You for blessing me every day with Your love and the power and strength that I get from knowing I am always precious and loved by You. Lord, God, through the help of St. Valentine, please assist my efforts to love, to find love, live love. Help me to be open to love in all ways. Let me meet, find and enjoy the gift of being in love and the privilege of knowing that I am truly loved through the beauty in others.
